MEXT Document submission Check list (KOSEN)

Note:

- ☐ Subject of Written Examination can vary depends on field of study which you choose.

Subjects of Written Academic Examinations (to be taken by all applicants)

<Fields of Study> (A) Mechanical Engineering (B) Electrical and Electronic Engineering © Information, Communication and Network Engineering (D) Materials Engineering (E) Architecture (F) Civil Engineering (G) Maritime Engineering (H) Other Fields	
---	--

Chosen Field of Study	Subjects
(D)	Japanese, English, Mathematics, and Chemistry
(A), (B), ©, (E), (F), (G)	Japanese, English, Mathematics, and Physics
(H)	Japanese, English, Mathematics, and either Chemistry or Physics [※]

※ (H) can be combined with any field of study. Applicants who select a science subject (Chemistry or Physics) in combination with (D) must take the Chemistry examination, and those who select a subject in combination with any of A, B, C, E, F, or G must take the Physics examination.

※ Applicants who choose (H) only can designate either Chemistry or Physics in his/her preference. Please specify which subject you will take on your application form.

- ☐ Scholarship duration will be 4 years. (Including one-year preparatory education in Japanese language and other subject)

- ☐ All classes will be given in the Japanese language once you are enrolled in college of Technology(KOSEN) which will be decided by MEXT.
